

THE HOT LIST

Raising the Bar

The shampoo bar range from Bluebeards Revenge, available in Original, Classic and Cuban fragrance variations, is the brand's latest plastic-free shampoo alternative. **RRP £5.99**

Ironclad

ELEVEN Australia's Curling Iron uses electroplating technology to create even and instant heat of up to 232°C, resulting in smoother, shinier and more durable curls and waves.

RRP £107

Refresh and Rewind

The Fudge Professional Everyday Clean Blonde Damage Rewind Shampoo and Conditioner for neutral blonde tones, enhance highlights and refresh colour using gentle cleansing ingredients. **Price £14**

Student's Choice

The Glamtech One Neon scissor is a staple for hairdressing students and has been redesigned in four vivid colour variants (pink, purple, green and red) in 5.5" sizes.

Price £22

Red Hot

The Head Jog Deluxe Red Tint Brush is a standard-sized deluxe red tint brush featuring crinkled bristles. It is designed to hold more colour and provide even distribution.

Price from £1.50

The Name is Bond

OSMO Chromaplex Bond Shampoo and Conditioner is the new in-salon treatment designed to strengthen, protect and prolong colour longevity. It repairs hair bonds between salon visits. **Salon price: £5.50**

Capsule Collection

R+CO's new range for all hair types is for clients who want sustainable luxury. The products contain avocado, abyssinia, sunflower seed oils and the powerful antioxidant tocopherol. **RRP from £54.50**

New Elegance

Remi Cachet has added Nano Tips with a twisted thread tip to its Elegance range. This makes the tip stronger for easing into the ring and it is also more durable for the life of the extension. **RRP from £39**

Guardian Angel

My.Organic's new Organic Angel Potion Goji is a leave-in cream with a silky texture that detangles hair, improves manageability and hydrates without weighing the hair down. **RRP £18.99**
