

Rhodes natures skincare, benefits you and the planet

Combining the latest PLANT CELL TECHNOLOGY with sustainable SUGARCANE PACKAGING Rhodes Skincare is a British brand combining 'Green Science' with the latest Plant Cell Technology, harvesting plant cells in a totally clean laboratory environment, using no soil, fertiliser, or pesticides. This technology maximises the benefits of each ingredient to reverse and reduce sun damage, protect, hydrate, and decrease wrinkles. Vegan, cruelty free, no nasties, pure and clean, as well as NO PLASTIC packaging. www.rhodeskincare.com

Nailed It!

Cuticle care has never looked so good, thanks to HIVE® Solutions. As an accomplished nail technician or beauty therapist, your clients love the extra little details and level of care that you provide. HIVE® Solutions don't believe such dedication should have to settle for standard, so designed their new range of Cuticle Oil Drops 30ml with professional therapists in mind. Now thanks to HIVE Solutions cuticle care has never looked or smelt so good, with the new range of beautifully coloured and scented oils. Available in three varieties Watermelon, Passion Fruit & Blueberry, the vegan friendly and paraben-free oils are specially formulated with Avocado Oil and Vitamin E. www.hiveofbeauty.com

Neal & Wolf's MIRACLE Christmas cracker

This Christmas, good things really do come in small packages. Containing a bottle of MIRACLE Rapid Blow-Dry Mist, Neal & Wolf's MIRACLE Christmas cracker is the perfect gift for the haircare-obsessed person in your life. Enriched with shea butter, avocado oil and ultra-lightweight conditioners, this little MIRACLE protects hair from heat damage and helps reduce frizz. What's more, hidden inside five lucky crackers are winning silver tickets, offering five chances to bag a £150 haircare bundle for both you and your chosen salon, keeping your hair looking great well into the new year. Competition ends 31/01/2022. Terms and Conditions apply.

Kind cosmetics

Our ZOYA Nostalgic collection has arrived for Fall 2021, bringing you the mellow sentiment of falling leaves and crisp autumn air. This arrangement of 6 selected timeless creams varies from rich and dark tones to a modern take on classic favourites, that'll guarantee to make everyone look twice. Bring back the memories with Zoya Mia, Rumi, Vivi, Austin, Cooper & Becca and enjoy their non-toxic, vegan, people & planet friendly allure, because wearing kind cosmetics will never go out of fashion! Available on zoyapolish.co.uk / supernail.co.uk

NOSTALGIC
LIPSTICK

MY.ORGANICS Hydrating Serum

The MY.ORGANICS Hydrating Frizz Ease Serum with Yang Yang, Linseed oil, Argan oil and Avocado is a hydrating and restoring serum for all hair types, particularly dry, brittle and dull hair types. The natural mineral extracts restore the hairs structure without weighing it down, hydrates the hair adding a glossy sheen and highlighting your natural shades of colour and making the hair shiny and healthy. It fights frizz thanks to the controlling action of the Linseed oil proteins, leaving the hair sleek and soft. www.myorganicsuk.co.uk
